Hi Joe,

Thank you for forwarding the comment letter from the Chesapeake Bay Foundation, Southern Environmental Law Center, Wetlands Watch, and North Carolina Coastal Federation regarding the project. EPA did receive an extension to accommodate a visit to the site; we will provide a comment letter to the Corps no later than March 11, 2016.

After we provide the signed letter to the Corps, I can also forward our letter to you.

Have a nice weekend,

Carrie
